4 A.T.K.T. :-

Not more than 40% heads of passing will be carried forward. If the number comes to a fraction less than 0.5, it will be rounded off to the immediate lower digit. If the number is 0.5 or more, it will be rounded off to the next immediate higher digit. For example 2.48 will become 2 and 2.5 or 2.51 will become 3. For example, if the total number of papers in Semester I and II put together is 12 then, a student can be allowed to keep terms in 5 or less than 5 papers.

A.T.K.T. rule is applicable at the U.G. and P.G. level.

5. STANDARD OF GRACING :-

a) For each Semester exam (College level as well as University level) a maximum of 1% of the total marks of that Semester (if the number is a fraction less than 0.5 it will be rounded off to the immediate lower digit and it is 0.5 or more it will be rounded off to the next immediate higher digits) can be given as grace marks for passing in the subject head. These marks can be given all in one subject or spread across all subjects. For example, if the total semester is for 600 marks then, a maximum of 6 marks grace can be given in the total. All the 6 marks grace can be given in one subject or can be divided equally among all the subjects wherever the student has failed to get the required minimum marks to pass.

b) Up to 0.5 % of the total marks of that Semester can be given to bring the total up to 60% . Fraction will be treated as given in 7(a). For example , if the total semester is for 600 marks then, a maximum of 3 marks grace can be given in the total.

6. DEGREE :-

Class will be awarded by the University on the basis of examination conducted at University level. For U.G. it will be on the basis of marks secured in the last two Semesters. For P.G. Class will be awarded on the basis of marks secured in all the four Semesters.
