Respected Sir,

Warm Greetings

This is in reference to the discussion held with Dr. Shastri Sir after the preliminary visit of the Centre Head CSD Mrs. Rucha Taware and Mr. Rajesh Patil (Director of Technosales) along with Mr. Vinayak Mahadik Sir of BINCA on 24th Dec and 26th dec 2020.

The following is the kit that will be installed at the Remote Location.

1. Projector + Screen
2. Logitech Group Cam Setup (Mikes, Console, Camera)
3. Desktop

It is further decided in today's meeting with Sir that 1 White Board will be provided to each class at each location.

It was identified that since the classroom should be able to cut the sounds coming from outside the class, and in order to make it sound dust free following has been suggested

1. Painting of Classroom in Plain White
2. False Ceiling with Light LED Tiles
3. Repair of Classroom Windows to make cut the sound coming from our of the class

Hence, as per the direction of Dr. Shastri Sir, we would like to seek quotations for Vastu Vibhag for 1 Classroom at each location Satara, Wai, Kamshet and Badgaon sheri.

Attached are the photos of the respective classes.

The Principal of each unit have been requested to send us a letter specifying the following

1. Classroom Dimensions, Photos and purpose of selecting it.
2. Usability of the Classes & the VC Setup
3. Capacity of Students in Class
