दर शनिवारी होणाऱ्या Weekly Test या दोन विषयांच्या नसून पुका विषयाची असवी.

कारण

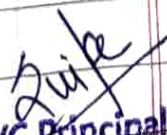

दोन विषयांच्या नसून पुका असल्यावर पुकाही विषयाचा अभ्यास नीट होत नाही व त्याचा परिणाम internal marks वर होत आहे.

त्यामुळे अशी विनंती की दोन विषयांच्या Test पुका दिवसाशी नसाव्यात.

Plz don't conduct ^{two subjects} weekly test per saturday. becoz its affect on our internal marks so plz don't take two test..

Internal Complaints Committee (ICC)

1. Introduction & NEED OF COUNSELLING CELL IN COLLEGE:

Sexual Harassment of women at workplace Prevention, Prohibition and Redressal Act 2013 passed by Parliament. According to it, our college constituted the Internal Complaints Committee on Sexual Harassment of women at workplace in 2017.

College life can be fun and fulfilling, providing the students various opportunities to acquire new skills and knowledge. However, adjusting to the new environment and managing academic and personal demands may induce high levels of stress and anxiety. Some of the common concerns of this age group students' are-

1. Academic pressures (Lack of concentration and motivation for studies, underachievement, backlogs, exam stress, unhealthy competition)
2. Loneliness and homesickness
3. Adjustment difficulties
4. Peer pressure
5. Relationship issues
6. Family Problems
7. Procrastination
8. Cyber bullying
9. Behavioral problems (anger outbursts, disobedience, lying etc)
10. Low confidence and self esteem
11. Suicidal thoughts
12. Depression ,anxiety and other mental health problems)
13. Financial issues
14. Substance abuse
15. Suicidal tendencies in campus

Almost all the students come across above mentioned situations. Various Research indicates counseling cell plays significant role in improving overall academic life of students. Counsellor listens to the students' concerns with empathy and responds in a non judgmental way.

2. Outcome of Counselling Cell:

It is a helping process which aims to facilitate the process of growth and positive well being. Counselling emphasizes awareness and prevention along with early identification and intervention of academic/emotional mental health issues. It allows students to effectively deal with problems and issues before they become unmanageable. Counselling empowers students with enhanced ability to solve problems, make decisions and deal more effectively with their personal situations. It helps students to alleviate distress, enhance wellness, utilizing their best potentials and facilitate the achievements.
